

# Phil Seymour, Precious To Me

Baby baby don't you leave me here to make it alone  
Cos i don't think that i could take it for a day on my own  
Why would you wanna hurt me  
When i love you baby can't you see

## CHORUS

That your precious to me  
(i love you so)  
And i can't let you go  
(can't let you go)  
Baby one day you will see  
(girl can't you see)  
That you'll always be  
(you'll always be)  
So precious to me

Why would you wanna hurt me when i love you baby can't you see

## Repeat CHORUS

Baby baby you can tell me when will we meet again?  
If I can't be your one and only then I'll have to pretend  
That you're still on with me  
Girl I love you so affectionately

## Chorus X 2

You're so precious to me  
To me
