

Phil Stacey, You Are Mine

What's the reason why
da Vinci had to paint
Lennon had to write
About peace
Martin had a dream
Patsy had to sing
Where did Mozart find
Those melodies
We all need inspiration
A spark that ignites
Something deep inside the soul
A masterpiece that defines a life
And you are mine
And you are mine
Just to see your face
Calms the storm in me
Makes me see the world
A little differently
Yeah, we all need inspiration
A spark that ignites
Something deep inside the soul
A masterpiece that defines a life
And you are mine
Yeah, you are mine
We all need inspiration
A spark that ignites
Something deep inside the soul
A masterpiece that defines a life
And you are mine
Yeah, you are mine
You are mine
You are mine
You are mine
Yes, you are a masterpiece
