

# Phil Vassar, I'll Take That As A Yes

You like a dozen wine red roses  
Candlelight on porcelain set tables  
and that's fine, I'll go out of my way  
for you anytime  
that's right baby

the fire's warm  
so you take off your sweater  
now it's my turn and I'll do you one better  
that's the game we both like to play

## CHORUS

You wink  
I laugh  
"cause we know a little hug leads to a foot rub  
then a hot tub  
then a french kiss on a bear rug  
do you like it, do you like it  
how about this wanna try it  
oh, oh, oh, oh  
I'll Take That As a Yes

You like snuggling with your pillow  
with my arms tight holding us together  
breathing deep and drifting like a feather in a stream  
then I touch you on the shoulder  
feel your skin soft underneath my fingers  
and I know we'll never get to sleep

Repeat CHORUS

It's written all over your face there's no mistake  
no guess, no doubt, no beatin around the bush  
baby it's understood

Repeat CHORUS

I'll Take That As a Yes  
I'll Take That As a Yes

Cause we know a little hug leads to a  
foot rub, hot tub, bear rug, yeah

wouldn't you love  
wouldn't you love  
wouldn't you love  
I like it, I like it  
yes
