

Phil Vassar, I Would

If I Could Take it All and change it take the past and rearrange it i would baby yes i would
If i could figure out the reason go back in time and change the season i would baby yes i would
And I'd be the man you can't live with out i would Rewrite the parts
And turn you back around

I would do anything to bring you back but it's all over and you're gone and i just can't do that
I'd make you laugh

I'd learn to cry

I'd learn to dance

And just for one more chance is somthing I could do to make it good Baby i would

If i could say goodbye and face it take the pain and just earse it

I would baby yes i would and if i could just feel better break it down to the letter i would yeas i would

But if i could find away

I would do anything to bring you back

But it's all over and you're gone and i just can't do that

I'd make you laugh

I'd learn to cry

I'd learn to dance

And just for one more chance is somthing i could do to make it good

Baby I would well i would Ooo, Yeah well I would do anything to bring you back But it's all over and

I'd make you laugh

I'd learn to cry

I'd learn to dance

Just for one more chance is somthing I could do to make it good

Baby I would

I would whoa you know i would

I would oh yes I would
