

Phil Vassar, It's Only Love

Don't give me that poor, pitiful sorry I broke your heart look
Don't act like it's something I can't live without that you took
I ain't gonna bury my head in the sand, I'm stronger than that
I'm gonna spring right back like a rubber band, I know that I can
It's only love

It ain't nothin but oxygen, water and sun to the sunlight
What keeps the universe spinnin, the reason for livin
What you looked for your whole life

You won't catch me cryin' over all that sentimental stuff
'Cause it ain't nothin' I can't rise above

It's only love

I'm not suprised, maybe caught a little off guard

But I'll survive it'll just leave a minimal scare

If this is what you want, I wish you well, cest la' vive

Change is good, it ain't no big deal don't worry 'bout me 'cause

It's only love

It ain't nothin but oxygen, water and sun to the sunlight

What keeps the universe spinnin, the reason for livin

What you looked for your whole life

You won't catch me cryin' over all that sentimental stuff

'Cause it ain't nothin' I can't rise above

It's only love

Well, tomorrow, I might not be quite so tough

'Cause after all it's only love

It's only love

It ain't nothin but oxygen, water and sun to the sunlight

What keeps the universe spinnin, the reason for livin

What you looked for your whole life

You won't catch me cryin' over all that sentimental stuff

'Cause it ain't nothin' I can't rise above

It's only love

Yeah, it's only love

It's only love

It's only love
