Phil Wickham, Holy Holy Holy

Lightning breaks around Your throne Streams of Glory bursting from your robe You are the God in Heaven Voices sing Your endless praise All who see you bow for countless days You are the God in heaven

Holy, Holy, Holy, is the Lord, God almighty Worthy Worthy, Worthy is the Lamb The only one who was and is and will come

Fire burns inside Your eyes unseen colors circle in the sky You are God in Heaven Everything your hand has saved Gathers here to sing your endless praise You are the God in heaven

Holy, Holy, Holy, is the Lord, God almighty Worthy Worthy, Worthy is the Lamb, the King of Glory Holy, Holy, is the Lord, God almighty Worthy Worthy, Worthy is the Lamb, The only one who was and is and will come Who was and is and will come to us
