

# Philip A. Levens, Three Rivers Away

I've been with other girls, but they just won't do  
I'm just a paycheck away from lovin' you.

I know you won't deny me your warmth and attention  
But you won't stand by me if I'm broke with good intentions.

Our time is short and sweet and ends way too soon  
I'm just a paycheck away from lovin' you.

I only work so I can see you every Friday when they pay me  
I'd like to know the real you, but if I did you'd probably hate me.

We'll hold congress down on Congress Avenue  
I'm just a paycheck away from lovin' you.

I've been with other girls, but they just won't do  
I'm just a paycheck away from lovin' you.

I know you won't deny me your warmth and attention  
But you won't stand by me if money isn't mentioned.

Our time is short and sweet and ends way too soon  
I'm just a paycheck away from lovin' you.  
I'm just a paycheck away from lovin' you.
