

Phillips Craig And Dean, Fall Down

What can I say
That You have never heard?
What can I offer You
And where can I go
That You have never been
That You can't lead me through?

Take my hand
Hear this cry
Only You can satisfy

Fall down on me
Drop me to my knees
Pour over me
I'm deeper than the sea
Rain on me
With a love until I drown
I need You to fall down

Well if I had one place
Just one place to be
Well I'd be at Your feet
And if I had one prayer
I know that I'd pray
I'd ask you to fall down on me

Take my hand
Hear this cry
Only You can satisfy

Fall down on me
Drop me to my knees
Pour over me
I'm deeper than the sea
Rain on me
With a love until I drown
I need you to fall down

Take my words
Hear this cry
Only You can satisfy

Fall down on me
Drop me to my knees
Pour over me
I'm deeper than the sea
Rain on me
With a love until I drown
I need you to fall down
