

# Phillips Craig And Dean, Fall Down

What can I say  
That You have never heard?  
What can I offer You  
And where can I go  
That You have never been  
That You can't lead me through?

Take my hand  
Hear this cry  
Only You can satisfy

Fall down on me  
Drop me to my knees  
Pour over me  
I'm deeper than the sea  
Rain on me  
With a love until I drown  
I need You to fall down

Well if I had one place  
Just one place to be  
Well I'd be at Your feet  
And if I had one prayer  
I know that I'd pray  
I'd ask you to fall down on me

Take my hand  
Hear this cry  
Only You can satisfy

Fall down on me  
Drop me to my knees  
Pour over me  
I'm deeper than the sea  
Rain on me  
With a love until I drown  
I need you to fall down

Take my words  
Hear this cry  
Only You can satisfy

Fall down on me  
Drop me to my knees  
Pour over me  
I'm deeper than the sea  
Rain on me  
With a love until I drown  
I need you to fall down
