Wilson

Once upon a time there was a mountain that rose out of a vast green forest. and in the forest there  
In the universe, and had

Enabled the lizards to exist in harmony with nature for years. and so they lived; until one day a trav  
His name was wilson and he quickly became intrigued by the lizards way of life. he asked if he cou  
Colonel forbin looked square in the mirror and dragged the blade across his cold creamed skin. he  
He ran his dripping palm across the stubble on the nape of his neck and thought again about the d
