

# Phixx, Strange Love

You get inside of me  
When we touch my fingers burn  
I can feel you everywhere I go  
Even here when i'm alone  
And there's no where I can hide  
I see your face in everyone  
You can take all that  
I have to give  
You strip me to the bone

(chorus)#

You keep on pushin me, pullin me  
With your strange love  
You keep on hurtin me, hurtin me  
With your strange love  
Keep on feelin me, feelin me  
With your strange love  
You make me feel aliive  
I'm aliive, I'm aliive,  
I'm aliive, I'm aliive

You're apart of me  
When you move i move with you  
And you like to see me suffering  
When you do the things you do  
And it's never the same  
When we come together as one  
Cos with you i can experience  
Everything i've never done

(chorus)#

You keep on pushin me, pullin me  
With your strange love  
You keep on hurtin me, hurtin me  
With your strange love  
Keep on feelin me, feelin me  
With your strange love  
You make me feel aliive  
I'm aliive, I'm aliive  
I'm aliive, I'm aliive  
I'm aliive, I'm aliive  
I'm aliive, I'm aliive

A wonder lost of you  
And the pain you put me through  
But the more you hurt me  
The more I find I'm tied to you

I'm aliive, I'm aliive  
I'm aliive, I'm aliive  
I'm aliive, I'm aliive  
I'm aliive, I'm aliive  
I'm aliive (you keep on pushin me pullin me with your strange love)  
I'm aliive (you keep on hurtin me hurtin me with your strange love)  
I'm aliive (you keep on feelin me feelin me with your strange love)  
I'm aliive ( you make me feel aliive)
