

Phixx, Wild Boys

WILD BOYS!
WILD BOYS!
WILD BOYS!
WILD BOYS!

WILD BOYS!
WILD BOYS!
WILD BOYS!

The Wild Boys are callin
On their way back from the fire
In August moons surrender to a dust cloud on the rise
Wild boys fallen far from glory
Reckless and so hungered
On the razors edge you trail
Because there's murder (murder murder murder) by the roadside
In a sore afraid new world
They tried to break us, looks like they'll try again

Wild boys, never lose it
Wild boys, never chose this way
Wild boys, never close your eyes
Wild boys, always... shine

You got sirens for a welcome
There's bloodstain for your pain
And your telephone been ringin
While you're dancin in the rain
Wild Boys wonder where is glory
Where is all you angels
Now the figureheads have fell
And lovers war with arrows
Over secrets they could tell
They tried to tame us looks like they'll try again

Wild boys, never lose it
Wild boys, never chose this way
Wild boys, never close your eyes
Wild boys, always... shine

WILD BOYS!
WILD BOYS!
WILD BOYS!

Wild boys, never lose it
Wild boys, never chose this way
Wild boys, never close your eyes
Wild boys, always...

Wild boys, never lose it
Wild boys, never chose this way
Wild boys, never close your eyes
Wild boys, always... shine
