

Phoenix, 1901

Counting all different ideas drifting away
Past and present they don't matter
Now the future's sorted out
Watch her moving in elliptical patterns
Think it's not what you say
What you say is way too complicated
For a minute thought I couldn't tell how to fall out
It's twenty seconds till the last call
You're going hey hey hey hey hey hey
Lie down you know it's easy
Like we did it over summer long
And I'll be anything you ask and more
You're going hey hey hey hey hey hey hey
It's not a miracle we needed
No I wouldn't let you think so
Fold it, fold it, fold it, fold it
Girlfriend, oh your girlfriend is drifting away
Past and present 1855 -1901
Watch them built up a meteor tower
Think it's not gonna stay anyway
Think it's overrated
For a minute thought I couldn't tell how to fall out
It's twenty seconds till the last call
You're going hey hey hey hey hey hey
Lie down you know it's easy
Like we did it over summer long
And I'll be anything you ask and more
You're going hey hey hey hey hey hey hey
It's not a miracle we needed
No I wouldn't let you think so
Fold it, fold it, fold it, fold it
