Phoenix, Napoleon Says

You know your french well Didn't take any decision so far Hit me like a freight train Please consider my request

You do expect a Messiah You want to be European I would be your Bonaparte Don't ever care 'bout what Napoleon says

Look out look at look at me

Calm down calm down I said to myself this time Look at what you look like You know it suits you w

Napoleon says to take off your coat Take off your long johns too Napoleon says to take off your coat Take off your long johns too

Look out look at look at me

Calm down calm down I said to myself this time Look at what you look like You know it suits you w

Right hand in a trench coat Right hand in a trench coat

Napoleon says to come over here Bring back your long johns too Napoleon says to come over here Bring back your long johns too

Look out look at look at me

Calm down calm down I said to myself this time Look at what you look like You know it suits you w

Right hand in a trench coat Right hand in a trench coat

Look out look out Don't get yourself excited Calm down calm down calm down Go get yourself a white horse

Right hand in a trench coat Right hand in a trench coat
