

# Phoenix Rizing, Dragonlord

Once upon a time in ancient centuries  
When black dragons were rulers of the world  
A woman was in labour and a child was born  
A secret that was never to be told  
Many years went by, the boy became a man  
The time had come to let him know his destiny  
He was meant to be the dragonlord, the chosen one  
A saviour from the tyranny

[Bridge:]

For decades they've waited in slavery  
But now that he had come, and he set them free

[Chorus:]

Revelation of the dragonlord  
A knight so strong and hold  
A long forgotten fairytale, a legend of the old  
And with magic and fright  
He will come, followed by light  
Now the dark ages are over, the black dragons' gone forever  
So the time had come, it was a glorious day  
The army of the dragonlord was powerful and strong  
They had swords made by magic and hearts so pure  
The blood of dragons filled the sea  
Two years later the last dragon fell  
The human race was free from the black reptile's spell  
And from that day his wisdom filled the lands  
Victory to the dragonlord

[Bridge]

[Chorus]

Hail to the one, so powerful and strong  
Salute the mighty dragonslayer  
He brought freedom to our land  
with his sword so strong in hand  
We hail the dragonlord

[Chorus]
