

Phosphorescent, I Am A Full Grown Man (I Will L

i can fly through these hallways
dressed in light though it always
it always gets cold
i can sing through my fingers
though the worth of a singer
is nothing i'm told

i am a full grown man
i will lay lay lay
in the grass
in the grass
all day

i can freeze in the place that
gets me free from this taste that
i have in my heart
we can curl in the waters
naked swirling like otters
(you know how they are)

i am a full grown man
i will be calm calm calm
in the grass
in the grass
in your arms
