

Phunk Junkeez, Devil Woman

This is a sequel
To a song
About a bitch
who did me wrong

She's just a devil woman
She's just a devil woman
She's just a devil woman
She's just a devil woman
She's just a devil woman
She's just a devil woman

She's just a devil
she's not on my level
Shit, goddamn, what the fuck you think I am a sucker?
Fuck that shit you cocksuckin
Hold up, you're movin too fast
Lettin everybody fuck that ass
You're cashed, bitch
Like a bowl in a bong
You ain't nuthin but a song, hooker

She's just a devil woman
She's just a devil woman
She's just a devil woman
She's just a devil woman
She's just a devil woman
She's just a devil woman

Second verse is worse than the first
Instead of getting better the shit worse
Freebies, freebies, given up the freebies
Teenage hooker given me the heebie jeebies
Makin me feel like I'm all alone
and that bitch is evil to the bone
That's ok, I got my soul
and I got my Phunk Junkeez

She's just a devil woman
She's just a devil woman
She's just a devil woman
She's just a devil woman
She's just a devil woman
She's just a devil woman

Fuck that bitch, devil bitch

Fuckin bitch
pissed me off
you hurt my feelings
you fucked my friends
I'm buyin cigarettes,
and I don't even smoke
what the fuck
I hope you choke

She's just a devil woman
She's just a devil woman
She's just a devil woman
She's just a devil woman
She's just a devil woman
She's just a devil woman
