

Phyllis Hyman, No One But You

Ooh, ooh, ooh

Don't want nobody
I don't want nobody
No one, no one, no one but you
I don't want no one but you
I don't want no one but you
I don't want no one but you to love me
I'd rather be lonely
All by myself
Sitting until you come home
No other arms could hold me the way you do
Baby can't you see, I'm devoted to you
Baby can't you see, I'm committed to you
Can't you see that I'm yours
I'm yours alone

I don't want no one but you
I don't want no one but you
I don't want no one but you to love me

Love me so good
You're so right for me
I'm at my best when I'm with you
I give to you all the love that I have to give
Honey can't you see
I'm devoted to you
Baby can't you see, I'm committed to you
Can't you see that I'm yours
And yours alone

I don't want no one but you
I don't want no one but you
I don't want no one but you to love me (to love me)

Ooh I don't want no one
Don't want nobody to love me baby, but you
don't want nobody to put their hands on me but you
Oh but you baby
I don't, I don't want nobody but you sweet darling to love me
Don't you know I don't want nobody, don't you know, hey, hey
I don't want nobody, don't want nobody, uh huh, uh huh, uh huh,
Don't want nobody, but you to love me
Don't want nobody, uh uh, uh uh, no no, don't want nobody, don't want nobody, ooh but you to love me
I want you, I want you
Don't want nobody nobody but you baby
