

Phyllis Hyman, You Know How To Love Me

Measure for measure
Your love's so much pleasure
Like a haunting melody
You came inside and captured me

And I'm so happy
You're the riddle of my rhyme
You and I together
We'll stand the test of time

You know how to love me (Sure you do)
You know to make it right (So nice)
You know how to love me (There's no denyin')
Sweet as the morning light

Sooner or later
I knew you'd come my way
You're welcome to my love
Just promise that you'll stay yeah

You know how to love me
Right in a special way
You know how to love me
Tonight all I wanna say
You know how to love me
You're the real that I feel, never go away

Seeing's believin'
Don't you know you're a dream come true
Ain't nothin' deceivin'
'Bout the way that I'm loving you, yeah

You know how to love me (You know, you know)
You know to make it right (I can feel it)
You know how to love me (No doubt about it)
Sweet as the morning light

Nothing's forever
That's what people say
But each time we're together
Forever and a day yeah

You know how to love me
Right in a special way
You know how to love me
Tonight all I wanna say
You know how to love me
You're the real that I feel, never go away

You know how to love me (Oh, you know that you do)
(You know how to love me, baby)
Ooh, you know to make it right (Oh, I know you do, whoa)
Ooh, you know how to love me
(Seeing's believin', don't you know you're a dream come true, yeah)
Ooh, you know how to love me (Oh, oh, baby)
(Come on take this heart of mine) Ooh, you know how to love me
(Love me, baby, all the time, come on, give it to me, baby)
(You know how to love) Ooh, you know how to love me
(You know how to love me, yeah)
(Ooh, I can feel it) Ooh, you know how to love me (I can feel love, no, no, baby)
(You know how to love me, yeah) Ooh, you know how to love me
(Ooh, you know 'cause you told me so, oh, oh)
Ooh, you know how to love me (There's no denyin')

Ooh, you know how to love me
Ooh, you know how to love me
(You and I were meant to be) Ooh, you know how to love me
(There's no doubt the world can see)
(That I love you, baby, ooh, oh, oh, oh, baby)
Ooh, you know how to love me (Ooh, ooh, baby)
(You know how to love me, sure you do)
Ooh, you know how to love me (Oh, ho)
Ooh, you know how to love me (You know how to love me, baby, I can feel it)
(No doubt about it, no, no)
Ooh, you know how to love me (Oh, you know how to love me, baby)
Ooh, you know how to love me (I love you, baby, and I need ya, baby)
Ooh, you know how to love me (I know, baby)
Ooh, you know how to love me
Ooh, you know how to love me (I wasn't born yesterday)
Ooh, you know how to love me (Spent my time in the streets and I played it)
