

Pia Mia, 730

Riding dirty
I may not live to see 7:30
The love that I give is not ordinary
But you make me feel like I'm 730

I got to bed and you're not here why?
And all my dreams feel like nightmares why?
I have dark Times in light tyears, why?
They say i
Over time i'll heal

So love but i love so aggressive why?
I say i am done, so taht i get reset at night
Now you care
It's too late to confess it now
Ain't asking those questions now
Asking those

Riding dirty
I may not live to see 7:30
The love that I give is not ordinary
But you make me feel like I'm 730

Cuz i had enough tonight
I ran out of love rtonight
Confessing your love tonight
But thet doesn't make it right

Riding dirty
I may not live to see 7:30
The love that I give is not ordinary
But you make me feel like I'm 730
