

Pia Mia, HOT (Remix feat. Sean Paul and Flo Milli)

Gal want what she need,
Said speed -
Me a give her it without impede

Wait I get a high trippin on your love
That's why I need it daily
With every time it intensifies
You can't help it you got all that size (Got you girl!)
Just thinking of it runnin back tonight (Buda bang bang)

Gimme, Gimme, Gimme, Gimme
Something that I want
I wanna feel you dripping on me
Like some St. Laurent (Hey!)
Boy you got me feening for you
Whatever you do don't stop
Ooh no no no no
I need it in the morning
And the middle of the night
And even in the winter make it feel like summertime
Boy you got me feening for you
Whatever you do don't stop (Hey!)
You better make it real hot (Buda bang bang)

Keep it burning and burning I want it
Long as you're keeping it hot (Buda bang bang)
Keep me yearning and yearning I want it
Long as you're keeping it hot (Buda bang bang)
Body to body I'm feeling naughty tryna get with you (Hey!)
Hot
Baby your love is doing something turn my temperature

Gal set good, cuz you know you look good girl
Set it, let me get it and leff it a slow burn,
You should always ready fi the work, you know my loving come first
Gal cau' ever ready fi go make you start levitate, gal when mi think of your body and a meditate
Pon you little waist and Pon you pretty face, gonna give you this ya loving, never let it waste! (Buda bang bang)

Gimme, Gimme, Gimme, Gimme
Something that I want
I wanna feel you dripping on me
Like some St. Laurent (Hey!)
Boy you got me feening for you
Whatever you do don't stop
You better make it real hot
Keep it burning and burning I want it
Long as you're keeping it hot
Keep me yearning and yearning I want it (Hey!)
Long as you're keeping it hot (Buda bang bang)
Body to body I'm feeling naughty tryna get with you (Buda bang bang)
Hot
Baby your love is doing something turn my temperature (Buda bang bang)

Flo Milli Shit
Maybe I like it when you touch it keep it hot
Feel like she lackin' cause I'm everything she not
Gave him a chance he only got one shot
He fell in love, oo that bitch thinkin' I took her spot
I want a thug, keep it burnin' give it all you got
I know you into me, you can't resist it I can feel it in your energy
Oh, I'ma lose my interest if he move too slow
Baby I want you to

Gimme, Gimme, Gimme, Gimme

Something that I want
I wanna feel you dripping on me
Like some St. Laurent
Boy you got me feening for you
Whatever you do don't stop
You better make it real hot
Keep it burning and burning I want it
Long as you're keeping it hot
Keep me yearning and yearning I want it
Long as you're keeping it hot (Buda bang bang)
