

# Picture House, Do I Believe You

(Browne/Glenister)

If I keep you safe  
And I keep you warm  
If I keep you closer than I need  
To turn you on  
But I want you to notice  
Every time my eyes caress you  
I want to see your eyes  
Flashing out anger  
Anytime that I wonder

chorus  
Do I believe you  
Could you believe in me still  
You know when ~I want to  
It's you that I run to  
Tell me that we will

Did I get it wrong  
Did I ask too late  
Did we dig our fingers far too deep  
In the wedding cake  
But when I try to tell you  
All of my lines get twisted  
Maybe you've lost the thrill in the anger  
Every time that I wonder

chorus

If I keep you safe  
Safe and calm  
Would you curl up at my feet  
And keep me warm  
'Cos I want you to notice  
Every time my eyes caress you  
I want to see your eyes  
Flashing out anger  
Anytime that I wonder
