

Piebald, All You Need Is Drums To Start A Dance

I master the dance, but now you're gone, gone, gone
I master the dance, but now you're gone, gone, gone
I master the dance, but now you're gone, gone, gone
I master the dance, but now you're gone, gone, gone

All you need is drums to start a dance party,
All you need is drums to start a dance party,
And you're invited to our dance party
And you're invited to our dance party

All you need are kisses to start a make-out party,
And you're invited to my make-out party

I master the dance, but now you're gone, gone, gone
I master the dance, but now you're gone, gone, gone
I master the dance, but now you're gone, gone, gone
I master the dance, but now you're gone, gone, gone
