can't you see by the look in our eyes  
that the rock revolution won't be televised.

can't you see by the look in our eyes  
that the rock revolution won't be televised.

when she reached maturity  
according to her father  
she was given  
his old acoustic guitar

she taught herself a bunch of chords  
and wrote songs about the oppression of the working class  
and sang them in the park.

she sang  
i will come clean  
'cause the cleaner i get is the messiest yet  
i will come clean  
'cause the cleaner i get is the messiest yet

her and her music were becoming known  
across the continental united states  
for her message and activism  
the f.b.i. even had a file  
with her name on it for disturbing the peace  
and the security of the nation.

can't you see by the look in our eyes  
that the rock revolution won't be televised.
