

# Pierce The Veil, Hell Above

I cannot spend another night in this home.  
I close my eyes and take a breath real slow.  
The consequence is if I leave I'm alone...  
But what's the difference when you beg for love?  
As I run through glass in the street,  
kerosene hearts carry the name that my father gave me  
and take the face of the wolf.

'Cause this is a wasteland, my only retreat.  
With Heaven above you, there's Hell over me.

I met a girl who never looked so alone.  
Like sugar water in your mouth, luke warm.  
She tied a cherry stem for me with her tongue.  
We fell in love, and now we're both alone.  
'Cause I don't need any more friends  
and another kiss like a fire on the pavement.  
We'll burn it down till the end.

'Cause this is a wasteland, my only retreat.  
With Heaven above you, there's Hell over me.  
The water is rusted, the air is unclean.  
And there for a second I feel free.  
'Cause this is a wasteland, my only retreat.

I've waited all this night to honor you and say,  
"I know it's hard, but who are you to fall apart on me?"

'Cause this is a wasteland, my only retreat.  
With Heaven above you, there's Hell over me.  
'Cause this is a wasteland, my only retreat.  
With Heaven above you, there's Hell over me.

You said what about us? Well, what about me?  
Hang from the gallows, asleep in the rain.  
'Cause this is a wasteland, my only retreat.

Paralyze me.  
Don't let me jump.  
Don't let me fall.
