

Pietasters, Crazy Monkey Woman

Crazy monkey woman, why you always coming to me
I said sweet freaky lady, why you always got another to say

CHORUS

You are my only regret why to love you once again

I don't give a damn about my life, 'cause I'm all fucked up again.
But I keep 2 steps ahead of you, with a steady diet, I try to get trim.

CHORUS x2

I'm a freight train rolling, busting through your house now
I'm a freight train coming, so you'd better watch out now

CHORUS x6
