

Pigeon detectives, Everybody wants me

I remember when we were young
Things were easy, we had such fun
And I know what we talked about
But lets hope that they dont find out
Coz everybody wants me
Everybody wants me
Everybody wants me now
Coz everybody wants me
Everybody wants me
Everybody wants me now
But I just want you
I just want you
I just want you
I just want you
Take your mind back to rainy days
We stayed inside and played those games
But you know what we talked about
Coz you prayed they would not find out
Coz everybody wants me
Everybody wants me
Everybody wants me now
Coz everybody wants me
Everybody wants me
Everybody wants me now
But I just want you
I just want you
I just want you
I just want you
If you really cared for me
Then you would take me with you
If you really cared for me
Then you would take me with you
If you really cared for me
If you really cared for me
I remember when we were young
Things were easy, we had such fun
And I know what we talked about
Lets hope that they dont find out
Because everybody wants me
Everybody wants me
Everybody wants me now
Coz everybody wants me
Everybody wants me
Everybody wants me now
But I just want you
I just want you
I just want you
I just want you
