This is stuff you play when you bouncing to Del Almo Mall  
This is stuff when you pick up, you go to have a ball  
Look at her wiggle and giggle in her Gucci shawl  
It feels good to be fine  
Little bitties in major cities they falling in line  
Instead of love they mistaking me for Ginuwine  
And be signing his autographs continually lying  
And I got to stop this who can top this  
All over the South Bay Pigeon John can rock this

And fine dimes better rewind while I do my thing
