

Pigface, Psalm Springs Eternal

Can you see?

It's coming towards me

Can you see?

It's heading towards

Can you see?

It's coming on down from the skies above

Can you see...The Lord?

He's coming for you and me tomorrow

He's coming down the steps from heaven to you

Ooo...Dear God can you hear my voice as it's calling you tonight

Dear Lord can you hear me? Hear me now

Waiting just to
