

# Pigface, Tapeworm(Wtma Version)

got the tapeworm, I want out  
against a razor, sharp and acoming  
the spitting image  
phone sex keeps the drive alive  
and blows your brain  
ash covered eyes, a gut reaction  
a slow coffin, decide your fiction  
watch phone sex, delivers your lies  
simply the message read, the truth is in your face  
is freedom talkin to no thing inside your eyes?  
simply the message read, the truth is in your face  
phone sex  
simply the message read, the truth is in your face  
phone sex keeps the drive alive  
and blows your brain  
simply the message read, the truth is in your face  
call one eight hundred tapeworm...
