

# Pigface, Trivial Sscene

Cathy: Hi, my name is Cathy and I'd like to welcome you to the Psychic Advisor

Martin: Hi Cathy

C: Can I get your first name?

M: Yeah, this is Martin

C: Martin?

M: Yeah

C: OK, Martin, is there a particular area you would like to talk about tonight?

M: Yes, music

C: OK, When you feel comfortable with your thoughts in question would you tell me to stop shuffling my cards

M: OK

C: OK, would you like me to cut them or let them fall?

M: Ohh...Let's cut them

C: OK, so where do you live right now Martin?

M: I'm in Chicago

C: OK, OK Martin, the justice card is sitting in the significator. OK? Now this is telling me that I do feel that some of those people that you are involved with or that surround you, they don't, in the future, might be such good alliances or scissors(?) or partners or, or what have you.

M: OK

C: The lines of disception going on, there may be some drug using going on, that maybe you're not aware of.

M: Wha...Wha..What's happening?!

C: That these people are reversed, so that means, there intensions are not that good. They're not good partners, they're not good alliances, OK? I feel you would do better on your own

M: OK

C: Now can you relate to that?

M: Yes I can

C: OK, You know because it shows as the advice card that you need to lay away a lot of the old so that the new can come in. Things just aren't clicking the right way here. Which is you know?

M: OK

C: Uhm...next month, it shows some lines of disception going on here.

M: Oh great!

C: Well Martin, while you're making extraordinary efforts to pull things together, y'know, it just shows that there's this heavy bondage there and I'm not talking about a good bondage, y'know

M: OK

C: With that, and it's with that devil it does show that line, that disception, y'know going on. Maybe even some false accusation

M: Ca--Do you have an idea of a direction of what could be next?

C: Ohh...
