

# PiKej (PK), RAISE YA CUP

?Dollar bill mentality, my salary is coming on  
Coming up on millions, money game going strong  
Long for the finest brands, Louis with the contraband  
Prada and the Louboutin, Armani suits fit the don  
Murcielago, Ferrari Testarossa  
Diamonds on the driver side, ride the roller coaster  
Girls love the player swag, Maybach make em mad  
Ends for the Benz, got everything you wish you had  
Jaguar, fire finish, vintage over brand new ?King of the finer things, look at what my brand do  
Caviar, water views, satellite nightly news ?Honey glazed cashews, cash -- nothing past due  
Though you know we pass you, look at what the math do  
Debonair millionaire, dollars coming at you  
Player with the gold touch, everything is deluxe  
Buck that bought a bottle hit the lotto now we G'd up

Eyes up, raise ya cup, toast to the better life ?Toast to the finer things, later for the pain and strife  
Later cuz we outta sight, fading in the moon light ?Riding in the open air, vibing cuz the tunes right  
Eyes up, raise ya cup, toast to the finer things ?Toast to the better life, everything that money bring  
Later cuz we outta sight, fading in the moon light ?Riding in the open air, vibing cuz the tunes right

Lights, cameras, flashing, ocean waves crashing ?Nothing ever rationed, brash yo we cashing  
Gold bricks, hold chips, shine, yo we eclipse  
Rhyme over any mix, dimes who we chilling with  
Bless em with Godiva, you chilling with a rider ?Cider in my cup, and I'm here to take you higher ?C  
Sharp as a blade, getting paid through the mobile  
Private island, styling on em, swagger like a general  
Every single line on ya mind, something seminal  
Higher than a sentinel, dine with the president  
Dime in my residence, never mind a nemesis  
Genesis, my penmanship something like a miracle  
All hail the rap king, swagger and I'm lyrical

?Love the sound that money makes, waking up to millions ?Coming up, I'm running up, double up t  
Look at what the don made, hundred karat, purest grade  
Serenade the dreamers, visualize a Beamer  
Coffee from Brazil with the French imported creamer  
Baddest yet, game set, fame, get the flames set ?Chain with the diamond cut, never take a rain ch  
Never heard of window shopping, buying out the whole store  
Trying out whatever brand, I don't care, jus give me more  
Waging war on luxury, prices never trouble me  
See me like the Hubble G, shine like a silver sea  
Diamonds looking silvery, nah man that's platinum G  
Flower pedals, precious metals, dime girls all over me  
Hatching like an ovary, moving through my odyssey  
Stealing all the shine like it's mutherfucking larceny
