

# Pilate, Alright

Tonight I lack the strength to even move,  
When you walked, now watch me die

For I know this is harder for you,  
For love has let you down

The road ahead is lined with broken dreams,  
So walk, walk on by

And I failed to give you everything you need,  
For the fears, behind your eyes

When I can't feel you,  
I'm not alright, I'm not alright,  
When I can't heal you,  
I'm not alright, I'm not alright

When I can't feel you,  
I'm not alright, I'm not alright,  
When I can't heal you,  
I'm not alright, I'm not alright

Jesus as you throw me on the rocks,  
For love I left your side

For I believed in love and beauty's whiles,  
Where heaven shone from her eyes

Tell me that it wasn't all for naught,  
It's such a waste now, It's such a waste now c'mon  
I know your scared but baby don't you hide,  
It's such a waste,  
We'll stand alone now, we'll make it somehow
