

# Pillar, For The Love Of The Game

Consumed by reputation,  
It's what they say that gets you down,  
You find new motivation,  
Inside this new love that you've found,  
It's now your navigation,  
To keep your head engaged, oh yeah,  
Your final destination,  
Keeps you focused on the win

(Pre-Chorus)  
Count me in, but don't count me out,  
You can't shut me up, you can't shut me down,  
Fight through the hurt,  
Fight through the pain,  
Without the ache there is no gain,  
We live our lives for the love of the game

(Chorus)  
And we will rise,  
This is our time,  
Don't let the chances of our lifetime pass us by,  
And we will rise,  
This is our time,  
We'll give this everything we've got,  
For the love of the game

Reach for a new elevation,  
And see just how high we can go,  
Full blown determination,  
Will take us further than we know,  
My own anticipation,  
Keeps the fire from burning out,  
It's time for domination,  
No one will ever take us down

(Pre-Chorus and Chorus)

(Bridge)  
'Cause I won't give up,  
I won't give in

(Pre-Chorus and Chorus)

For the love of the game
