Pillar, Rewind

It seems just like yesterday was the first time that I heard You call my name
Since then, so much has changed
I'm still the same man that I was before
Knowing that I can be without anything scares me away from being alone
Now, that I know what's going on
I can look back and see You
And I made You wait, as I turned away

If I could rewind, watch all my life
Just pass me by, I could see You
If I could rewind, I'd take back the lies
And all of those times I hurt You

I don't know if I'll ever know exactly how much that I hurt You
Knowing that hurts me everyday
If I could rewind, I would take it away
And not make You wait, and I won't walk away

I wanna take back all those lies
I wanna take back all those times
I wanna show You with my life that I'm here for You
