

Pinay, Is It Real

Ohh - ohhh - ha
Ohh - ohhh - ha
Ohh - ohhh - ha
Ohh - ohhh - ha

i know you mean well when you tell me that you care 'bout me boy
But to what degree
I need to how deep you feel

I simply need more than good conversation
I need somethin' that's forever today
I need a man who can show me the patience
To be with me through it all- to always stay

Is it real
(can you give me attention)
Tell me is it real
(all your love and affection)
Is it real
(want your dedication)
If you can show that you love me then baby
This is real

Ohh - ohhh - ha
Ohh - ohhh - ha
Ohh - ohhh - ha
Ohh - ohhh - ha

How can I be sure
That the feelings that we feel are mutual
Unless you tell me
I need to know just where you stand

I need more than physical satisfaction
I need somethin' that will always be mine
I need you baby to show me the patience
To be with me through it all
For all times

Is it real
(can you give me attention)
Tell me is it real
(all your love and affection)
Is it real
(want your dedication)
If you can show that you love me then baby
This is real

if you can show that youll love me then baby
this is real
baby i need to noe
so why dont you let it show
can you tel me is it real

can you give me attention
all your love and affection
want your dedication

can you give me attention
all your love and affection
want your dedication
if you can show that youll love me then baby
