

# Pinback, Messenger (Full Band Version)

I am the messenger for the city I live in  
I run legal documents and war plans  
I'm with a girl who's stationed far from here but  
These letters that I carry go past there

oo-hoo-hoo-hoo-hoo  
oo-hoo-hoo-hoo-hoo-hoo  
oo-hoo-hoo-hoo-hoo  
oo-hoo-hoo-hoo-hoo-hoo

I would be shot on sight if I showed my face  
Tonight I carry plans to attack her base

I begged her see me in (see me up)  
I begged her see me in  
They're coming this morning (see me up)  
But this window won't open (see me up)  
I'm running out of time  
I'm running out of time (oo-hoo-hoo-hoo-hoo-hoo)

oo-hoo-hoo-hoo-hoo  
oo-hoo-hoo-hoo-hoo-hoo  
oo-hoo-hoo-hoo-hoo  
oo-hoo-hoo-hoo-hoo-hoo

And watch the city burn tonight... (oo-hoo-hoo-hoo-hoo...)
