

# Pink, Beautiful Trauma

we were on fire  
I slashed your tires  
it's like burn so bright  
we burn out  
I made you chase me  
I wasn't that friendly  
my love, my drag  
we're fucked up

cause I've been on the run so long  
they can't find me  
you waken up to remember I'm pretty  
and when the chemicals leave my body  
they're gonna find me in a hotel lobby

cause those tough times  
they keep coming  
all night laughing and fucking  
Some days like I'm barely breathing  
after we were highj in the love  
doped out

it was you  
the pill I keep taking  
the nightmare I waken  
There's nothing  
no, nothing  
nothing but you  
my perfect rock bottom  
my beautiful trauma  
my love, my love, my drag /3x  
ma love, my drag, we're fucked up

you pushed a hole in the wall  
and I Framed it  
I wish I could feel things like you  
everyone's chasing that holy feeling  
and if we don't stay lit qw'll blow out  
blow out

cause those tough times  
they keep coming  
list night  
I might have messed it up again  
some days like I'm barely breathing  
after we were high on the love  
doped out

it was you  
the pill I keep taking  
the nightmare I waken  
There's nothing  
no, nothing  
nothing but you  
my perfect rock bottom  
my beautiful trauma  
my love, my love, my drag /3x  
ma love, my drag, we're fucked up

cause those tough times  
they keep coming  
all night laughing and fucking  
Some days like I'm barely breathing  
after we were highj in the love

doped out

it was you  
the pill I keep taking  
the nightmare I waken  
There's nothing  
no, nothing
