

# Pink, Can't Help It

Yeah Yeah Yeah, Yeahhh la la la la la la  
I love you so much I want to light you on fire, show you how hot you are.  
I want you so bad, I want to punch you in your face, hit you till you see stars  
Im a passionate one and youre my masterpiece, but baby you must be warned  
Im a passionate one and I will break you to pieces, trust me Ive done it before  
I cant help it (I cant help it)  
Ill put you on your knees  
And Ill walk over you  
Just to show you how I feel  
Im in love with you  
I love you so much I wanna slash your tyres to stop you from driving drunk  
Come over here I want you to taste my poison, to stop you from eating drunk  
I know youre the one cause youre not afraid. Youre not afraid of me.  
Lets give it some time, see if you get scared cause maybe you should be!  
A little pain and pleasure never hurt no-one  
I promise to try to be better cause youre the only one  
I cant help it (no, no, no)  
Ill put you on your knees  
I cant help it (yeah yeah yeah)  
And Ill walk over you  
Just to show you how I feel  
Im in love with you  
I cant help it (Cant help it)  
Ill take you like a whore  
And when I am done with you  
Ill feel no remorse  
Im in love with you  
A little pain & pleasure never hurt no-one  
Yeah Yeah Yeah, I cant help it. No No No!  
I cant help it (no, no, no)  
Ill put you on your knees (Ill put you on your knees!)  
I cant help it (yeah yeah yeah)  
And Ill walk over you  
Just to show you how I feel  
Im in love with you
