

Pink, Can't Take Me Home

Can't take me home to mama
Cuz she wouldn't think I'm proper
Shoulda thought about that before you fucked with me
Don't say you're fallin' for me
Don't tell me you adore me
Cuz all you're thinkin' bout is fuckin' me

Can't take me home to mama
Cuz she wouldn't think I'm proper
Shoulda thought about that before you fucked with me
Don't say you're fallin' for me
Don't tell me you adore me
Cuz all you're thinkin' bout is fuckin' me

Why'd you even talk to me
Baby were you curious
You knew you'd never had a love like this
My love was serious
Had you delirious
Don't front I felt it in every kiss

You try and play me
Like I ain't your lady
When you just told me that you loved me
And you want me as your baby
Understand me
Cuz I know we can be
Just as happy as anybody
Let your heart feel me baby

Can't take me home to mama
Cuz she wouldn't think I'm proper
Shoulda thought about that before you fucked with me
Don't say you're fallin' for me
Don't tell me you adore me
Cuz all you're thinkin' bout is fuckin' me

Can't take me home to mama
Cuz she wouldn't think I'm proper
Shoulda thought about that before you fucked with me
Don't say you're fallin' for me
Don't tell me you adore me
Cuz all you're thinkin' bout is fuckin' me

What the hell was on your mind
You really thought I had the time
To be your little undercover thing
But you see I can't get with that
So you better just split with that
Come at me real quit playin these silly games

How can you love me
And then just leave me
Because you see somebody lookin'
And you think they disagree
Well they don't feed you
So why you care boo
Cuz the best love you've ever had is right here with you

Can't take me home to mama
Cuz she wouldn't think I'm proper
Shoulda thought about that before you fucked with me
Don't say you're fallin' for me
Don't tell me you adore me

Cuz all you're thinkin' bout is fuckin' me

Can't take me home to mama
Cuz she wouldn't think I'm proper
Shoulda thought about that before you fucked with me
Don't say you're fallin' for me
Don't tell me you adore me
Cuz all you're thinkin' bout is fuckin' me

I don't want nobody else but you
But if you keep playin' then
I'll make you the fool
Cause it's a pink thang
This to the men who would wanna get wit me
Oh it's a pink thang
So you and your mama
You just gon' have to see

Can't take me home to mama
Cuz she wouldn't think I'm proper
Shoulda thought about that before you fucked with me
Don't say you're fallin' for me
Don't tell me you adore me
Cuz all you're thinkin' bout is fuckin' me

Can't take me home to mama
Cuz she wouldn't think I'm proper
Shoulda thought about that before you fucked with me
Don't say you're fallin' for me
Don't tell me you adore me
Cuz all you're thinkin' bout is fuckin' me

Can't take me home to mama
Cuz she wouldn't think I'm proper
Shoulda thought about that before you fucked with me
Don't say you're fallin' for me
Don't tell me you adore me
Cuz all you're thinkin' bout is fuckin' me
