

# Pink Cream 69, Ballerina (Acoustic Version)

Once I saw your picture  
After I was gone  
Forgotten colors  
Of the world where you're on  
Misery was all around  
But you did not see  
You're living your life inside a dream

Ballerina, I hear you cryin'  
Ain't got nobody  
Ain't got time for tryin'  
Ballerina, dancin' with fire  
Ain't got no wishes  
Just got one desire

I saw you dancin'  
On a road with no end  
Dreams of tomorrow  
But a child in your head  
Agony was all around  
But you did not see  
You're just a part of memory

Ballerina, I hear you cryin'  
Ain't got nobody  
Ain't got time for tryin'  
Ballerina, dancin' with fire  
Ain't got no wishes  
Just got one desire

Ballerina, ballerina, dance your dreams  
Ballerina, dance your dreams

Ballerina, look around, misery is all around  
Ballerina, look around and see

Ballerina, I hear you cryin'  
Ain't got nobody  
Ain't got time for tryin'  
Ballerina, dancin' with fire  
Ain't got no wishes  
Just got one desire

Ballerina, I hear you cryin'  
Ain't got nobody  
Ain't got time for tryin'  
Ballerina, dancin' with fire  
Ain't got nobody

Ballerina, ballerina, dance your dreams  
Ballerina, dance your dreams
