

# Pink Cream 69, Funny Words

Somedays I smell the stench of the day  
Pull the skin out from my face  
No regrets I don't see in their disgrace

I don't want to see it all my way  
Give me the key to unlock my fate  
I don't want to see it  
I don't want to see it

Funny words they pass me by  
My head it rolls into the sky  
Tell me something I don't know  
The preacher said that he may die

Funny words they pass me by  
My head it rolls into the sky  
Tell me something I don't know  
The teacher said that she may fly, she may fly

They're always so blatant when there's something to cry about  
Pull my hand from my head, the pain ruins me  
Like the sweets that took my teeth away

I don't want to see it all my way  
give me the key to unlock my fate  
I don't want to see it  
I don't want to see it

Funny words they pass me by  
My head it rolls into the sky  
Tell me something I don't know  
The preacher said that he may die
