

# Pink Cream 69, Hell's Gone Crazy

Streets show us all  
Crime's to take control  
I don't want you to stay  
I will take you away

Hearts turn to stone  
Life's a danger zone  
I can't take what they've done  
Don't look back when we're gone

All hell's gone crazy  
Hell's gone crazy  
Hell's gone crazy  
Hell's gone crazy, yeah, yeah, yeah...

Shades cloud the day  
Steal the light away  
I don't want you to stay  
I will take you away

I will show you the sun  
Don't look back when we're gone

All hell's gone crazy  
Hell's gone crazy  
Hell's gone crazy  
All hell's gone crazy, yeah, yeah, yeah...

See all the people  
Sitting on pins and needles  
They don't know what they've done  
Don't look back when we're gone

All hell's gone crazy  
Hell's gone crazy  
Hell's gone crazy  
Hell's gone crazy, yeah, yeah, yeah...
