

# Pink Cream 69, Hit The Bottom Row

(Andi Deris)

Who stands?  
Who creeps?  
Live and grow strong  
All a heart beats for  
Who bleeds?

For this makes your body  
This makes your soul  
You better hit the bottom row

Go hit the bottom row  
Go hit the bottom row

Who has?  
Who needs?  
Dependency stays  
Magesty feeds upon  
Who eats on?

This makes your body  
This makes your soul  
This makes the money  
This make the show  
You better hit to grow

Go hit the bottom row
