

# Pink Cream 69, Party Maker

[Andi Deris / Alfred Koffler]

Listen I'd like to tell you a story  
How to get from low to high  
To get to a hundred from zero  
I'm talking 'bout a man sleeping  
Just let him grow and fly  
Get to know your inner head  
So come on boys wake him up

Are you around? Do you get that sound  
Are you around? Let him go go  
Are you around? Yeah, you are around  
Watch out

Listen, like Mr. Jeckyll and Mr. Hide  
You're missing no night  
Just put on your mask by daylight  
So come on boys wake him up

Are you around? Do you get that sound  
Are you around? Let him go go  
Are you around? Yeah, you are around  
Watch out
