

# Pink Cream 69, Rocket Ride

Heard your mother she answered the phone  
She whispered softly you're not at home  
I tried to listen, are you really there?  
I get the feeling that you don't care

Now I'm crying, I can't hide my pain, no  
Got to get away, we got to get away

Now I stand in the pouring rain  
See your shadow and call your name  
You want to answer, but you're caught by surprise  
Another reason to say goodbye

So I'm crying, still can't hide my pain, no  
Got to get away, we got to get away

We could take a rocket ride  
And find a place where we could hide  
I'll take you there  
Let me take you to a place  
Where there's no hurt and no disgrace  
I'll take you there, I'll take you there

I'll show you love if you take my hand  
I'll lead you off to a promised land  
I'm sick of living in deep dispare  
Just take my hand and I'll lead you there

So I'm crying, I can't hide my pain  
Got to get away, we got to get away

We could take a rocket ride  
And find a place where we could hide  
I'll take you there  
Let me take you to a place  
Where there's no hurt and no disgrace  
I'll take you there, I'll take you there

We're running, we're running  
And our lives have gone astray  
We're running, we're hiding away  
We're running, we're hiding away  
We're running, we're hiding

We could take a rocket ride  
And find a place where we could hide  
I'll take you there  
Let me take you to a place  
Where there's no hurt and no disgrace  
I'll take you there

We could take a rocket ride  
And find a place where we could hide  
I'll take you there  
Let me take you to a place  
Where there's no hurt and no disgrace  
I'll take you there, I'll take you there  
I'll take you there

So now or never  
So now or never  
So now or never  
I said I'll take you there  
So now or never

So now or never  
You know I'll take you there  
So now or never  
So now or never  
I said I'll take you there  
So now or never  
So now or never  
You know I'll take you there  
So now or never  
So now or never  
Yeah, yeah, yeah  
So now or never  
So now or never
