

Pink Cream 69, Snap

My mind is screaming
My head is dreaming
My eyes don't sense reality

Sometimes I loose it
Or I confuse it
I fear for my mentality

But I don't know where to start
When the pain tears me apart
And I can't keep touch
When it gets too much

Then I'll snap, snap
Then I'll snap, snap

Although I hate it
I can't deflate it
That ain't the way it oughta be

I know the seasons
I've tried to reason
The answer's right on front of me

But I don't know where to start
When the pain tears me apart
And I can't keep touch
When it gets too much

Then I'll snap, snap
Then I'll snap, snap

But I don't know where to start
When the pain tears me apart
And I can't keep touch
When it gets too much

Then I'll snap, snap

But I don't know where to start
When the pain tears me apart
And I can't keep touch
When it gets too much
And I can't hold ground
Could you pull me down?

Then i'll snap, snap
Then i'll snap, snap

Then i'll snap, snap
Snap, snap
