

# Pink Cream 69, The Other Side

See a light  
not a phonic sound or a soul around  
Isolation  
I'm gonna do my time

I'm on the other side  
The other side

Block out my anger  
I tried to push and shove my way above  
I surrender  
I found my hidden peace

I'm on the other side  
The other side  
I'm on the other side  
The other side

Fly, leave the world behind you  
Dive out of the greed of mankind

See the light  
Nonna let it shine, leave my fears behind  
Nothing can shake me  
I'm no longer scared

Fly, leave the world behind you  
Dive out of the greed of mankind

I'm on the other side  
The other side  
I'm on the other side  
The other side

I found that phonic sound  
I found not a soul around  
I'm gonna let it shine  
Leave all my fears behind  
Block out my anger  
Block out my anger  
I've found my way above  
I surrender

I'm on the other side
