## Pink Floyd, Summer 68

| Would you like to say some | ething before you lea | ve Perhaps you'd car | e to state exactly how you | fee |
|----------------------------|-----------------------|----------------------|----------------------------|-----|
|                            |                       |                      |                            |     |
|                            |                       |                      |                            |     |
|                            |                       |                      |                            |     |
|                            |                       |                      |                            |     |
|                            |                       |                      |                            |     |
|                            |                       |                      |                            |     |
|                            |                       |                      |                            |     |
|                            |                       |                      |                            |     |
|                            |                       |                      |                            |     |
|                            |                       |                      |                            |     |
|                            |                       |                      |                            |     |
|                            |                       |                      |                            |     |
|                            |                       |                      |                            |     |
|                            |                       |                      |                            |     |
|                            |                       |                      |                            |     |
|                            |                       |                      |                            |     |
|                            |                       |                      |                            |     |
|                            |                       |                      |                            |     |
|                            |                       |                      |                            |     |
|                            |                       |                      |                            |     |
|                            |                       |                      |                            |     |
|                            |                       |                      |                            |     |
|                            |                       |                      |                            |     |
|                            |                       |                      |                            |     |
