

# Pink, I Don't Believe You

I don't mind it  
I don't mind at all  
It's like you're the swing set  
And I'm the kid that falls  
It's like the way we fight  
The times I've cried  
We come to blows  
And every night  
The passion's there  
So it's got to be right  
Right?

No I don't believe you  
When you say don't come around here no more  
I won't remind you  
You said we wouldn't be apart  
No I don't believe you  
When you say you don't need me anymore  
So don't pretend to  
Not love me at all

I don't mind it  
I still don't mind at all  
It's like one of those bad dreams  
When you can't wake up  
It looks like you've given up  
You've had enough  
But I want more  
No I won't stop  
Because I just know  
You'll come around  
Right?

No I don't believe you  
When you say don't come around here no more  
I won't remind you  
You said we wouldn't be apart  
No I don't believe you  
When you say you don't need me anymore  
So don't pretend to  
Not love me at all

Just don't stand there and watch me fall  
Because I, because I still don't mind at all

It's like the way we fight  
The times I've cried  
We come to blows  
And every night  
The passion's there  
So it's got to be right,  
Right?

No I don't believe you  
When you say don't come around here no more  
I won't remind you  
You said we wouldn't be apart  
No I don't believe you  
When you say you don't need me anymore  
So don't pretend to  
Not love me at all

I don't believe you
